## SUPPLEMENT

The following information on the Madrid group of the secretly-organized republican public order force inside Spain known as the Cuerpo de Seguridad was obtained from a member of the organization who has access to its files. Although some of the information in the report is not entirely clear, it is believed that the material is of interest.

1. The officer in charge of the Madrid organization of the Cuerpo de Seguridad is Lt. Colonel Magan. At his orders are three "agrupaciones", commanded by Sanchez Alonso, Manzana and Delgado Muertas, who supervise four sectors. Thus, there are twelve units organized. (As will be seen, this statement is at variance with the chart given below.)
2. The effectives are not evenly distributed, since there are some areas more densely populated than others. For the sake of convenience, the men have been enrolled in the sectors nearest their homes.
3. Below is a chart indicating the number of officers and men in each sector as of late November 1946:

<u>Sector</u>	<u>"Jefes"</u>	<u>Captains</u>	<u>Lieutenants</u>	<u>Troops and Guards</u>	<u>Total</u>
